# Catholic Schools Week 2023 In Review

Catholic Schools Week is the annual celebration of Catholic education in the United States.

This year's celebration ran January 29th through February 4th and was filled with Masses, a family Spaghetti Dinner & Trivia Night, a Day of Service and The Evening of Light luminaria prayer walk.

It was a wonderful week focused on the value Catholic education, what it provides our students and its contributions to our churches and community as a whole.

Thank you to all that made this week possible. Our parents, teachers, staff and community volunteers are the backbone of everything we do at St. Anthony Tri-Parish Catholic School.

# In Service to Our Churches, Our Community & Our School

Volunteers at St. Anthony Tri-Parish Catholic school are a vital part of our success. There are no volunteers as great and as selfless as our local Knights of Columbus Councils, #1563 and #9917. Their generosity of time and talent have been a tremendous boost to our events and other needs.

This school year, our Knights' councils have prepared and served the Archangel Amble Scramble pancake breakfast, helped out in the school kitchen when needed, prepared the Living Stations of the Cross meal, and continue to support major fundraising efforts at the Archangel Breakfast and Partners in Education event. At this year's Partners in Education event, the Knights of Columbus gun raffle provided over \$18,000 in support of St. Anthony's School!

Dr. Whelan asked for help from some of us that had or have children who attend or attended the school, we of course said yes, as it's our way of giving back to the school where our young people were educated," said Knight and former parent Jim Pieper.

The Knights of Columbus' principles of Charity, Unity, Fraternity and Patriotism serve as the basis of the Order's core values of Integrity, Professionalism, Excellence, and Respect. Knights recognize that their mission and faith in God compel them to action. By

answering the call to serve, the Knights of Columbus have been incredible partners for the school!

"The Knights serve the church as a charitable fraternity of men. When

Practiced for over 1000 years, praying the Stations of the Cross is a devotion practiced by Catholics worldwide during Lent. Each of the 14 stations shows a pivotal moment during Jesus' Passion.

This year, St. Anthony Tri-Parish Catholic School hosted a depiction of the Living Stations, led by a group of our students.

Thanks to our Knights of Columbus councils, community members were also able to enjoy a Lenten meal.

# A record-breaking night for our school at Partners In Education

Each year, St. Anthony Tri-Parish Catholic School brings our school families, church partners, benefactors, supporters and the greater Casper Catholic community together for an evening in celebration of Catholic education.

We are humbled and thrilled to announce the success of our 2023 Partners In Education event, Jewels of a Crown. Tickets sold out for the March 18th fundraiser more than an month prior to the event. Thanks to the generosity of all of our supporters, we were able to raise \$533,000!

Thank you to each and every donor, attendee, volunteer, sponsor and supporter who contributed in a myriad of ways to help make this evening a huge success and support our jewel of a school.

Without each of you, we could not do what we do and ensure that every student receives a scholarship in the form of subsidized tuition.

May God bless each and every one of you.

# The Giving Tree: Honor A Friend or Loved One

"I thank my God every time I remember you." - Philippians 1:3

Continue the legacy of a loved one who has passed away or recognize the kindness and love of a friend or family member.

Honorarium and memorial gifts are a meaningful way to bring praise and recognition to your family and friends while helping grow the faith of St. Anthony's students.

Recently, a longtime supporter, Al Parmely, did just that by providing a memorial gift in recognition of his beloved wife, Arlene. Al wanted to recognize the beautiful gift that Arlene was to our Catholic community by providing a donation that would allow for an engraving on the school's giving tree.

The generosity and thoughtfulness of many like Al has been truly impactful over the history of St. Anthony's School.

The St. Anthony Tri-Parish Catholic School's giving tree was installed in our new building to recognize substantial gifts to the school or foundation. The legacy of this recognition will remain for years to come! Gifts at the levels below are recognized on the giving tree. Memorial and honorarium gifts that aggregate to an engraved level are also eligible for recognition.

Engraved Leaf - \$2,500 to \$9,999  
Engraved Apple - \$10,000 to \$24,999  
Engraved Boulders - \$25,000 and up

For more information, please contact the St. Anthony School Foundation at 307-337-1362.

## Memorial and Honorariums:

Memorial and Honorarium donations are beautiful tributes with a lasting legacy.

We are truly grateful for the donations that have been made in honor or in memory of someone. If accumulated donations reach \$2,500 for a tribute, an engraved leaf will be added to our Giving Tree in the school commons.

Since our last publication, the following individuals have been honored through memorial or honorarium gifts.
