

Request for Proposal (RFP) for Painting Services

Overview

St. Anthony Tri-Parish Catholic School is seeking proposals from qualified painting contractors to provide painting services for the first-floor primary wing and classrooms. This Request for Proposal (RFP) outlines the project requirements and invites interested parties to submit their proposals. The primary objective is to refresh the interior paint to maintain a conducive learning environment for students and create a visually appealing space. The selected contractor will be responsible for all aspects of the painting process, including surface preparation, painting, and cleanup.

Scope of Work

The scope of work includes but is not limited to:

- Surface preparation, including cleaning, sanding, and patching as necessary
- Priming and painting walls, ceilings, and trim
- Application of appropriate coatings for durability and aesthetic appeal
- Protection of floors, furniture, and other surfaces from paint splatter and damage
- Cleanup and removal of all debris and materials upon project completion

Proposal Submission Guidelines

Interested contractors are required to submit their proposals by June 1, 2024. Proposals should include the following information:

- Company profile, including relevant experience and qualifications
- Detailed description of proposed painting methods and materials
- Project timeline, including start and completion dates
- Cost breakdown, including labor, materials, and any additional expenses
- References from previous clients

Proposals should be submitted electronically to neil.kaiser@sascasper.com with the subject line: "Proposal for Painting Services".

Terms and Conditions

- St. Anthony Tri-Parish Catholic School reserves the right to reject any or all proposals received.

- The selected contractor will be required to enter into a formal agreement outlining the terms and conditions of the project.
- All work must be completed to the satisfaction of St. Anthony Tri-Parish Catholic School and in compliance with relevant regulations and standards.
