Catholic Schools Week 2025

Students worked together to create a classroom door that represented a particular saint.

Catholic Schools Week is the annual national celebration of Catholic education. This year's celebration ran January 26th-February 1st and included the student showcase, a day of service, a prayer walk, Mass with Bishop Steven Biegler and a middle school dance.

It was a wonderful week focused on the value Catholic education, what it provides our students and its contributions to our church and community as a whole.

Thank you to all that made this week possible. Our parents, teachers, staff and community volunteers are the backbone of everything we do at St. Anthony Tri-Parish Catholic School.

Father Cliff Jacobson, Pastor at St. Patrick's Catholic Church, led students and staff in a Eucharistic procession after Tuesday's Mass.

Students in grades 4 through 8 served at a number of non-profits while Kindergarten through 2nd made gifts for those in need.

Mary Harris:Remembering a Remarkable Teacher and Coworker

With gratitude, we remember a teacher who left a legacy of faith, integrity and tenacity within the many students of her tenure at St. Anthony School. Mary Harris was a classroom teacher specializing in religion, English and social studies at St. Anthony School for 20+ years.

Upon her passing on January 9, 2025, many former students and coworkers provided heartfelt tributes to the amazing impact she had on so many. Known for her sternness and high expectations, she was able to get the best from her students.

Retired teacher Becky Stewart deemed her a "force to be reckoned with" and acknowledged that her own children benefited greatly from having Mrs. Harris as a teacher, saying "My children learned grammar inside and out and to read critically!" A voracious reader, Mrs. Harris always had a book in hand and retired teacher Loraine Powell remembers Mary's book club discussions as "so much deeper than the rest of us." Retired principal Mary Kozola emphasized that Mrs. Harris had a "great sense of humor and knew when to use it in the classroom."

Many of her former students commended her as an astounding religion teacher and are grateful for the time they had in her classes. Former student Mary (Reddy) Hydle said that Mrs. Harris was "one of the most inspiring teachers I ever had. I have fond memories of her teaching the Old Testament."

The legacy of Mrs. Harris continues at St. Anthony's as one of her former students, Jen Tremel, is our current middle school religion teacher. Tremel says that Mrs. Harris "encouraged us to read the Bible and all kinds of books and to find God and religious themes in those too."

Mrs. Harris made an immeasurable impact on many in her time at St. Anthony School. We are incredibly blessed that she graced the hallways of our school for so many years! May the perpetual light shine upon her.

Yes! I want my gift to support St. Anthony Tri-Parish Catholic School students as they grow in faith, serve others and achieve academic excellence!

Please make checks payable to: St. Anthony School or St. Anthony School Foundation.

LED BY THE SPIRIT

It's been a busy and wonderful winter at St. Anthony's

Father Ray blessed classrooms to mark a new calendar year.

Third graders had the opportunity to live like monks and nuns for a day.

Our annual poetry night is always a wonderful opportunity for our students to express their creativity and become more proficient public speakers.

Our middle school speech and debate team had another excellent season, competing in a multitude of meets throughout the state.

Many of our Taekwondo students tested and received belt promotions

Students in 4th and 5th grades represented our school at the NCSD Science Fair.

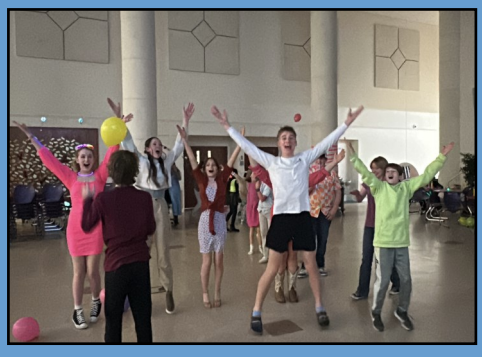

Thanks to a grant from the Goodstein Foundation, we were able to procure new wireless microphones that helped make our middle school production of The Trial of Goldilocks a wonderful evening of theater.

In February, we celebrated and hosted national FFA week for our local chapters. Students in our Agriculture class also had the opportunity to visit Casper College and see all the babies that were born recently.

The YMCA dance never goes out of style and is always a favorite at our middle school dances. Our Catholic School's Week dance marks the first of two dances that our middle schoolers have an opportunity to plan, decorate for and enjoy.

Partners In Education to be held March 15, 2025

Partners In Education (PIE) is St. Anthony Tri-Parish Catholic School Foundation's largest fundraiser in support of St. Anthony Tri-Parish Catholic School. For the third year in a row, our March 15th event is sold out thanks to the generosity of all our amazing sponsors and supporters.

The evening will include cocktails, a plated dinner, a silent & live auction and a paddle raise. All monies raised will be used to support current and future St. Anthony Tri-Parish Catholic School students, so that they may achieve academically, grow spiritually and live a life rooted in faith.

This year's live auction is filled with exciting new items as well as some PIE favorites! It promises to be a wonderful night in celebration and support of our school!
