Annual Report

St. Anthony Tri-Parish Catholic School & Foundation

From Our Leadership

We are pleased to present our Annual Report for the 2025-2026 school year. As we reflect on another year of faith, learning, and growth, we are filled with gratitude for the many ways our community continues to support the mission of Catholic education. Through your prayers, dedication, volunteerism, advocacy, and financial generosity, you help make it possible for our students to thrive academically, grow in their relationship with Christ, and positively impact the world around them.

This past year, our school community embraced the theme Serve Through Grace, recognizing that every talent, blessing, and opportunity we receive is a gift from God meant to be shared in service to others. As you review the pages that follow, you will see the many ways God has blessed our school and foundation. You will find highlights of student achievements, spiritual formation, service initiatives, and the impact of the generous support provided by our donors.

Together, the School and Foundation continue to build upon a strong tradition rooted in faith and guided by a shared vision for the future. As we look ahead, we remain committed to forming disciples, fostering academic excellence, and creating opportunities for students to grow in their relationship with Christ while serving others through His grace.

Thank you for partnering with us in this important ministry. We are blessed by your continued support and inspired by the faithful example of this community. May God richly bless you for the many ways you help advance the mission of St. Anthony Tri-Parish Catholic School.

With gratitude and prayers,
